Dear Azriel:

I'm an independent Synthpop / Darkwave artist from the U.S. that would like you to consider my latest release "Fortress of Solitude" for review, which is enclosed. My press kit is also enclosed, however there is only one CD included you can store in either the press kit or original retail package. Should you require any other information or have any comments, don't hesitate to contact me at stark@jamesdstark.com.

Sincerely,

JAMES D. STARK
